

Superwinch Tiger Shark Series

Introducing the world's greatest value in winching: the Superwinch Tiger Shark. Packed with manufacturing secrets we've learned over the past 40 or so years, the Tiger Shark is a pulling machine built to get the job done. Here's why the Superwinch Tiger Shark has become everyone's favorite "just in case" winch: stainless hardware to avoid rust, powerful motors to pull from 9500-17500, strong galvanized wire cable or certified Dyneema synthetic rope. Get to know the Tiger Shark.
